OFFICE OF PETITIONS

In re Application of
Mark L. Groendal, et al.
Application No. 10/081,492
Filed: February 22, 2002
Attorney Docket No. GROM 2.2-2

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed June 30, 2003, to revive the above-identified application.

The petition is GRANTED.

The above-identified application became abandoned for failure to submit an oath/declaration and substitute drawings in a timely manner in reply to the Notice To File Missing Parts of NonProvisional Application mailed March 15, 2002, which set a shortened statutory period for reply of two(2) months. Accordingly, the application became abandoned on May 16, 2002.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. If the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

Telephone inquiries concerning this decision should be directed to Cheryl Gibson-Baylor at (703)308-5111, or in her absence, Sherry D. Brinkley at (703)305-9220.

The application file is being forwarded to Office of Initial Patent Examination for further processing.
